Standard Materials Guide

We've crafted our materials palette using the same demanding standards that distinguish our furniture understanding that thoughtful design and attention to every detail elevate your possibilities.

Some elements have their roots in Nucraft's rich heritage. Others are new materials and reflect current trends and tastes. Together, they ensure that you're ready for today and positioned well for the future. Beautifully.

WOOD FINISHES

STANDARD

Default veneer sheen will vary per finish and were determined by a team of experts who reviewed the colorways to determine if gloss or matte best highlighted the natural characteristics of the species of wood and the color of the stain. Default finish is bolded. If no direction is provided, default sheen will be selected.
