

FLOW™ CREDENZA

NUCRAFT

Standard Materials Guide

We've crafted our materials palette using the same demanding standards that distinguish our furniture understanding that thoughtful design and attention to every detail elevate your possibilities.

Some elements have their roots in Nucraft's rich heritage. Others are new materials and reflect current trends and tastes. Together, they ensure that you're ready for today and positioned well for the future. Beautifully.

*View veneer door layup options below.

Base

- Powdercoat
- Polished Chrome

DOOR STYLES

Veneer direction on door interior will be vertical. Veneer case will be vertical slip-match layup regardless of veneer door style selection. Veneer top will run the length of the case. Paint and laminate door interior will match door exterior. Laminate wood grain direction will be vertical on door and case. Case interior will match the case exterior. Laminate wood grain top will run the length of the case.

Vertical Veneer and Woodgrain Laminates

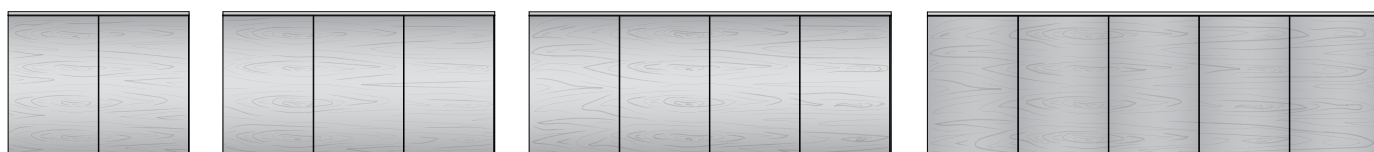

Doors with a vertical veneer direction feature a slip-match layup and are available in all wood finishes.

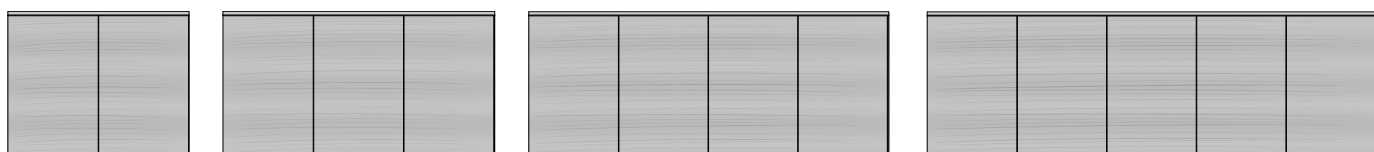

Horizontal Veneer

Doors with a horizontal veneer direction are available in all wood species and finishes.

Book-match layup available in Ash, Cherry, and Walnut.

Slip-match layup available in Rift-Cut, Paldao, Linea, Quartered Figured Anigre, and Black Limba.

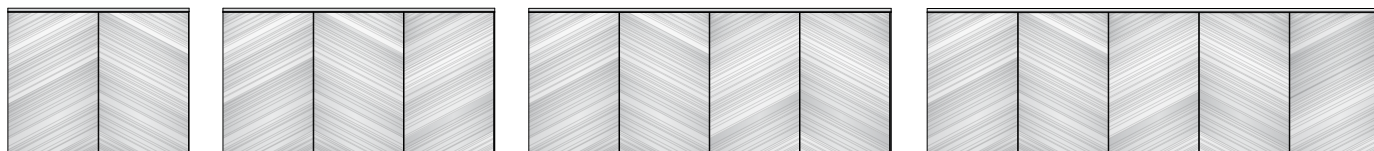

Plank Veneer

Available in walnut, plank offers dramatic variations in veneer leaf color, length, and natural characteristics; simulates randomly matched veneers. Veneer top and case are flat-cut (non-plank) clear coat walnut and feature a vertical slip-match layup. Coordinating case finish captures color variation to complement the variation of the plank door style.

Chevron Veneer

Chevron pattern provides a unique visual effect and is offered in quartered walnut or cherry. Case and top will default to quarter cut slip-match layup and coordinating finish.

Painted and Veneer Combinations

Available on all credenzas in any door or base style. If specified, a paint finish must be selected. Case interior will always match the finish of the case exterior.
