

# FORENA™ (Credenza and Media Island)

NUCRAFT

## Standard Materials Guide

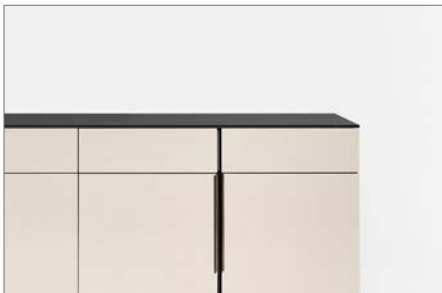

We've crafted our materials palette using the same demanding standards that distinguish our furniture, understanding that thoughtful design and attention to every detail elevate your possibilities.

Some elements have their roots in Nucraft's rich heritage. Others are new materials and reflect current trends and tastes. Together, they ensure that you're ready for today and positioned well for the future. Beautifully.

## DOOR STYLES

Veneer case exterior will be vertical with slip-match layup regardless of veneer door style selection. Top veneer will run the length of the credenza. Case and door interior will always match the finish of the case exterior. If a paint or lacquered polyester finish is specified, the case and doors will be painted entirely (inside and out).

### Paint and Lacquered Polyester

Painted case available in all paint finishes. Lacquered polyester case available in Cloud, Burnished, and storm paint finishes.

### Vertical Veneer

Doors with a vertical veneer direction feature a slip-match layup and are available in all wood finishes.

### Horizontal Veneer

Doors with a horizontal veneer direction are available in all wood species and finishes. Book-match layup available in Ash, Cherry, Flat-Cut Oak, Walnut, and Maple.

Slip-match layup available in Black Limba, Linea, Paldeo, Rift-Cut Oak, and Quartered Figured Anigre.

### Combination Veneer

Doors with a flat-cut vertical veneer direction featuring two quarter-cut horizontal accents above and below. Available in all wood finishes.
