

PERIMETER POWER | NUCRAFT

PERIMETER POWER

Integrated Technology

Since its founding in 1944, Nucraft has worked with customers to create inspiring conference rooms, private offices, reception areas, and training spaces. The company's designs and custom capabilities delight clients who demand the most exacting fit, finish and value for their environments. Every day, Nucraft serves customers with imaginative solutions that integrate technology and furniture in new and inventive ways.

Shown with customer supplied modular data faceplate and snap-in connectors.
