PERSPECTIVE COLLECTION

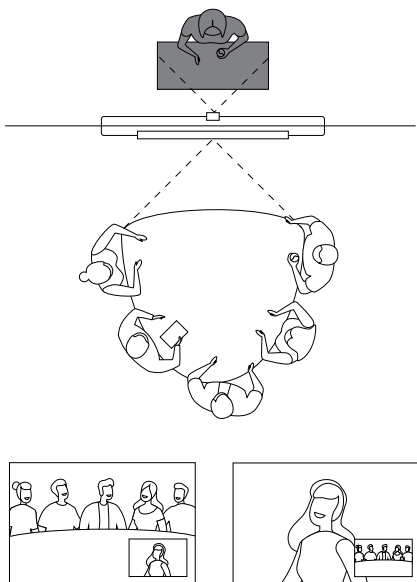

PERSPECTIVE COLLECTION

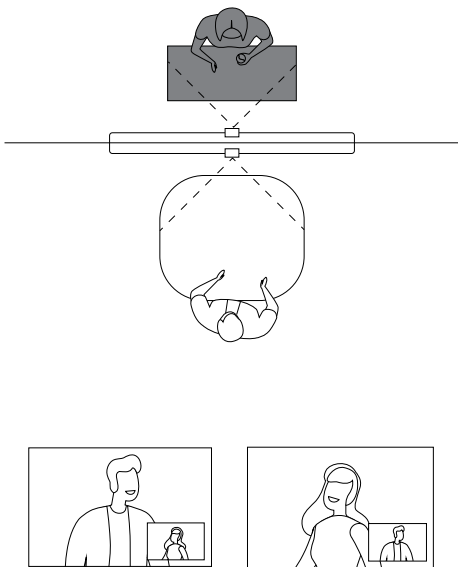

Aspect

Aspect is a combination of sightline conference tables, traditional media tables, and round tables. Available in sizes suitable for 4-9 people, Aspect’s design solves for technology constraints and supports both virtual and in-person conversations with digital meeting equity.

Portal

Portal supports small spaces designed for privacy, acoustic control, and access to virtual meeting technology. Portal supports 1 to 3 users and offers one to one posture while meeting virtually.

Design

Table’s shape ensures that all meeting participants are within the camera viewing angle and can heard by the microphone.

Sizes

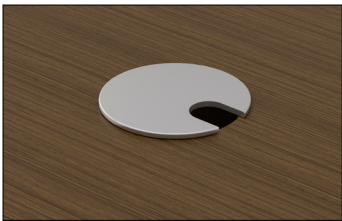

Aspect: seating for 4-9 users, 57"- 102"L
Portal: seating for 1-3 users, 48"Lx 42"W
